PROPRIETARY LICENSE – QNT-89A7F3C2

Official Document – English Version
Copyright © 2025
Owner: Luana Damato

—

1. Owner Information
Name: Luana Damato
Official Emails:
- luanadamato@startmail.com
- luanadamatolda@gmail.com
- luanadamato@legalmail.it

—

2. Purpose of the License
This license governs the use of the source code, technical materials, variants, extensions, implementations, and components associated with the project known as QNT-89A7F3C2.

The code is made visible exclusively for transparency, verification, and consultation purposes.
Visibility of the code does not grant any usage rights.

—

3. Reserved Rights
All rights related to the QNT-89A7F3C2 project are reserved and belong exclusively to Luana Damato.

No part of the code or associated materials may be used without the owner's written authorization.

—

4. Prohibited Activities (without written authorization)
It is strictly prohibited to:

- copy, reproduce, distribute, or publish the code
- modify, alter, decompile, or create derivative works

- integrate the code into software, systems, platforms, or services
- use the code for direct or indirect commercial purposes
- use the code in third-party systems, servers, cloud infrastructures, APIs, or remote environments
- use the code in artificial intelligence systems, datasets, training models, ML pipelines, or AI platforms
- use any part of the code to generate tokens, smart contracts, services, or digital products

Any unauthorized use constitutes a violation of this license.

—

5. Liability and Violations
Unauthorized use of the code results in:

- civil liability
- criminal liability
- claims for damages
- reporting to the competent authorities

This license is valid under Italian and European law.

—

6. Blockchain Registration
This license is permanently and immutably registered on the Ethereum blockchain through a dedicated smart contract.

Smart Contract Address (Version 1):
0x5f7d3b539d96a27351b316856651c22394ee2d4b

Deployment Transaction Hash:
0xb87678cc12df105a128cd5ae0cc33f1b67e43e2f47ea636574b34432b9abeeb1

Timestamp:
06-02-2026 15:32:47 UTC

This registration serves as public proof of ownership and registration date.

—

7. Annual Maximum Usage Limit (Supply Chain)
The use of the QNT-89A7F3C2 code is subject to an annual maximum limit of

10,000,000 units per calendar year.

It is forbidden to generate, process, distribute, or use more than the specified limit without the owner's written authorization.

Any usage exceeding this limit constitutes a violation of this license and is prosecutable under Italian and European law.

—

8. Retroactive Effect of the License

This license applies retroactively.

Any use, access, copying, consultation, integration, reproduction, or manipulation of the QNT-89A7F3C2 code, even if performed before the blockchain registration date, is subject to the terms of this license.

No prior use may be considered:

- authorized
- free
- public
- open source
- or subject to any license other than this one

Any prior unauthorized use is considered unlawful and prosecutable under Italian and European law.

—

9. Future Versions of the License

A future Version 2 of this license may include:

- the cryptographic hash of the original file
- additional technical proof elements
- direct linkage to Version 1

—

10. Jurisdiction and Competent Court

This license is governed by:

- Italian Law
- European Union Regulations

The exclusive competent court is:

Court of Naples (Foro di Napoli)

—

11. Final Declaration
This license constitutes the official document protecting the intellectual property of the QNT-89A7F3C2 project.

No rights are granted unless expressly authorized in writing by the owner.
